WASHINGTON, D. C., December 11-President-elect William H. Taft and the Republican members of the Ways and Means Committee have agreed on proposed legislation for free trade with the Philippines, the Democratic members of the committee concurring. The sugar interests agree to a compromise restricting free sugar to three hundred thousand tons annually, all Philippine sugar in excess of this amount to be subject to the present duty. The beet sugar interests are conferring with the committee. Free tobacc will be restricted.
